Re: United States v. Russell King
07 Cr. 952 (CM)

Dear Judge McMahon:

I write on behalf of the Government to request that the conference in the above-referenced case scheduled for Friday, February 29, 2008 be adjourned to Friday, March 14, 2008. The Government and defense counsel are in the process of exploring a possible disposition and we request the additional time to work toward that end.

The Government respectfully requests that time be excluded from today, up to and including March 14, 2008 pursuant to Title 18, United States Code, Section 3161(h)(8)(A). Excluding time will best serve the ends of justice and outweigh the best interests of the public and the defendant in a speedy trial. Theodore Green, Esq., counsel for the defendant, has advised the Government that he consents to such exclusion of time.
